Towsongate EVs FAQs (Frequently Asked Questions)

Feel free to forward your EV – related questions to [info @ towsongatev.com (omit spaces)]. We'll try to answer each question accurately and promptly. When it's likely others will have the same question, we'll post below. Thanks for your interest.

What's with the frog?

As Kermit the frog has said many times, "It Isn't easy being green." I am not sure if Kermit was an environmentalist at heart, but it does seem that many times environmentalism promotes changes to the status quo, and for many, "change" is often difficult to accept.

In thinking about having a graphic image / logo for the TowsongatEV project, the quote from Kermit came to mind. This graphic is also an open-source image (free!)
